CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

NOTICE OF ANNUAL GENERAL MEETING**

1. INTRODUCTION

The purpose of this circular is to provide you with information in respect of the resolutions to be proposed at the AGM for (i) the grant of the General Mandates to the Directors; (ii) the re-election of Directors; and (iii) the amendments to the Articles of Association.

LETTER FROM THE BOARD

2. PROPOSED GRANT OF THE GENERAL MANDATES

(a) Issue Mandate and Extended Mandate

At the AGM, ordinary resolutions will be proposed to grant to the Directors a general and unconditional mandate to exercise the powers of the Company (i) to allot, issue and deal with Shares not exceeding 20% of the aggregate nominal value of the share capital of the Company in issue as at the date of passing of the relevant resolution at the AGM; and (ii) to add the aggregate number of Shares repurchased by the Company under the Repurchase Mandate to the Issue Mandate, subject to a maximum of 10% of the issued share capital of the Company as at the date of passing of the relevant resolution. As at the Latest Practicable Date, a total of 1,356,250,000 Shares were in issue. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company from the Latest Practicable Date to the date of the AGM, the Company will be allowed under the Issue Mandate to issue a maximum of 271,250,000 Shares.

(b) Repurchase Mandate

An ordinary resolution will be proposed at the AGM to grant to the Directors a general and unconditional mandate to exercise all powers of the Company to repurchase, on the Stock Exchange, or on any other stock exchange on which the Shares may be listed, Shares not exceeding 10% of the aggregate nominal value of the share capital of the Company in issue as at the date of passing of the relevant resolution at the AGM.

In accordance with the requirements of the GEM Listing Rules, an explanatory statement is set out in Appendix I to this circular containing all the information reasonably necessary to enable you to make an informed decision on whether to vote for or against the granting of the Repurchase Mandate.

The General Mandates will expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) at the end of the period within which the Company is required by the laws of the Cayman Islands or the Articles of Association to hold its next annual general meeting; or (c) which revoked or varied by ordinary resolutions of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

3. PROPOSED RE-ELECTION OF DIRECTORS

Pursuant to Article 84 of the Articles of Association, at each annual general meeting of the Company, one-third of the Directors for the time being, (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at an annual general meeting at least once every three years.

LETTER FROM THE BOARD

The Directors to retire by rotation shall include (so far as necessary to ascertain the number of Directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. A retiring Director shall be eligible for re-election at the relevant general meeting. Accordingly, Mr. Yau Hoi Kin and Dr. Wong Wing Lit shall retire by rotation, and being eligible, will offer themselves for re-election at the AGM in accordance with the Articles of Association.

Pursuant to Article 83 of the Articles of Association, any Director appointed by the Board to fill casual vacancy or as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election. References are made to the Company's announcements dated 4 December 2013, 7 April 2014 and 15 May 2014 regarding the appointment of Mr. Ngan Yu Loong as an independent non-executive Director with effect from 2 December 2013, Mr. Wang Chaoyong as an executive Director with effect from 7 April 2014 and Mr. Tse Yee Hin, Tony as an independent non-executive Director with effect from 15 May 2014. Particulars of the above five retiring Directors as required under Rule 17.46A of the GEM Listing Rules are set out in Appendix II to this circular.

4. PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

At the AGM, a special resolution will be proposed to amend the Articles of Association to (1) reflect the recent amendments to the GEM Listing Rules relating to connected transaction requirements and definition of "connected person" and "associate" and to (2) align with the new Companies Ordinance (Chapter 622 of the Laws of Hong Kong) (the "**New Companies Ordinance**") which came into effect on 3 March 2014.

Details of the proposed amendments to the Articles of Association are set out in Appendix III to this circular.

5. AGM AND PROXY ARRANGEMENT

The notice of the AGM is set out on pages 17 to 22 of this circular. At the AGM, resolutions will be proposed to approve, inter alia, the granting of the General Mandate, the re-election of Directors and the amendments to the Articles of Association.

Pursuant to the GEM Listing Rules, any vote of shareholders at a general meeting must be taken by poll except for purely procedural or administrative matters. Accordingly, all the proposed resolutions will be put to vote by way of poll at the AGM. An announcement on the poll vote results will be made by the Company after the AGM in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules.

LETTER FROM THE BOARD

A form of proxy for use at the AGM is enclosed with this circular and such form of proxy is also published on the GEM website (www.hkgem.com) and the Company's website (www.ybds.com.hk) respectively. Whether or not you are able to attend the AGM, please complete and sign the form of proxy in accordance with the instructions printed thereon and return it, together with the power of attorney or other authority (if any) under which it is signed or a certified copy of that power of attorney or authority to the Company's Branch Share Registrar in Hong Kong, Tricor Secretaries Limited at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong as soon as possible but in any event not less than 48 hours before the time appointed for holding the AGM or any adjournment thereof. Completion and delivery of the form of proxy will not preclude you from attending and voting at the AGM or any adjournment thereof if you so wish and in such event, the proxy form shall be deemed to be revoked.

6. RECOMMENDATION

The Directors consider that the granting of the General Mandates, the re-election of Directors and the amendments to the Articles of Association are in the best interests of the Group and the Shareholders as a whole. Accordingly, the Directors recommended the Shareholders to vote in favour of the relevant resolutions to be proposed at the AGM.

7. GENERAL INFORMATION

Your attention is drawn to the additional information set out in Appendix I (Explanatory Statement on the Repurchase Mandate), Appendix II (Details of the Directors proposed to be re-elected at the AGM) and Appendix III (Details of the proposed amendments to the Articles of Association) to this circular.

8. RESPONSIBILITY STATEMENT

This Circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors having made all reasonable enquiries, confirm that, to the best of their knowledge and belief: (i) the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive; and (ii) there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
By Order of the Board
Yunbo Digital Synergy Group Limited
Yau Hoi Kin
Director

This Appendix serves as an explanatory statement, as required by the GEM Listing Rules, to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,356,250,000 Shares.

Subject to the passing of the ordinary resolution set out in item 6 of the notice of the AGM in respect of the granting of the Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged on the date of the AGM, i.e. 1,356,250,000 Shares, the Directors would be authorized under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, an aggregate nominal amount of Shares not exceeding HK\$13,562,500 (equivalent to 135,625,000 Shares), representing 10% of the aggregate nominal amount of the Shares in issue as at the date of the AGM.

2. REASONS FOR REPURCHASE OF SHARES

The Directors believe that the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole.

Repurchases of Shares may, depending on market conditions and funding arrangements at the time, result in an enhancement of the net asset value per Share and/or earnings per Share. The Directors seek the grant of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and Articles of Association and the applicable laws of the Cayman Islands.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2014) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period.

However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (within the meaning under the Takeovers Code), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date and insofar as the Directors are aware, Happy On Holdings Limited was the registered owner of 987,888,771 Shares (representing approximately 72.83% of the total issued Shares). The entire issued share capital of Happy On Holdings Limited was wholly-owned by Mr. Chan Foo Wing. In the event of that the Repurchase Mandate is exercised in full, the shareholding of Mr. Chan Foo Wing would be increased to approximately 80.93% of the total issued share capital of the Company.

The Directors are not aware of any consequences, which may arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate. As at the Latest Practicable Date, so far as is known to the Directors, no Shareholder may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power in full to repurchase Shares pursuant to the Repurchase Mandate.

The Directors will exercise the powers conferred by the Repurchase Mandate to repurchase Shares in circumstances, which they deem appropriate for the benefits of the Company and the Shareholders as a whole. However the Directors have no present intention to exercise the Repurchase Mandate to the extent that the number of Shares in the hands of the public would fall below the prescribed minimum percentage of 25%.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective associates (as defined in the GEM Listing Rules), have any present intention to sell any Shares to the Company in the event that the grant of the Repurchase Mandate is approved by the Shareholders.

| |
|---|
| APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE |
|---|

7. REPURCHASES OF SHARES MADE BY THE COMPANY

No repurchases of Shares have been made by the Company in the six months preceding the Latest Practicable Date, whether on the GEM or otherwise.

8. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which the Shares have traded on the GEM during each of the previous twelve months were as follows:
