COMPLETION OF THE PLACING OF NEW SHARES AND NON-LISTED WARRANTS UNDER GENERAL MANDATE

The Board is pleased to announce that the completion of the Share Placing and the Warrant Placing took place on 4 June 2012. 15,000,000 Placing Shares were allotted and issued to not less than six Share Placees in accordance with the terms of the Share Placing Agreement, and 30,000,000 Warrants were issued to not less than six Warrant Placees in accordance with the terms of the Warrant Placing Agreement.

Reference is made to the announcement of Yunbo Digital Synergy Group Limited (the “**Company**”) dated 17 May 2012 in relation to the proposed placing of new shares and non-listed warrants under general mandate (the “**Announcement**”). Unless the context otherwise requires, capitalised terms used in this announcement shall have the same meaning as defined in the Announcement.

COMPLETION OF THE SHARE PLACING AND THE WARRANT PLACING

The Board is pleased to announce that, with all the SP Conditions and WP Conditions having been fulfilled on 31 May 2012, completion of the Share Placing and the Warrant Placing took place on 4 June 2012. 15,000,000 Placing Shares were allotted and issued to not less than six Share Placees in accordance with the terms of the Share Placing Agreement, and 30,000,000 Warrants were issued to not less than six Warrant Placees in accordance with the terms of the Warrant Placing Agreement.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, the Share Placees, the Warrant Placees and their respective ultimate beneficial owners are parties independent of and not connected with, and are not acting in concert (as defined in the Takeovers Codes) with the Company and its connected persons. None of the Share Placees or the Warrant Placees has become a substantial shareholder of the Company immediately after the Share Placing or the Warrant Placing.

As disclosed in the Announcement, a majority part of the net proceeds from the Share Placing and the Warrant Placing would be applied towards the establishment of two wholly foreign owned enterprises (the “WFOEs”) in the PRC. In this connection, the Company is in the process of applying with the relevant PRC government authority for business licences to operate the two WFOEs. The scope of business of these two WFOEs is intended to include computer software or hardware system integration, external equipment, financial and electronic equipment, automated control systems and related equipment, smart modems, research and development of educational software and hardware; sale of computer software, hardware and ancillary equipment, electronic products, general machinery, specialized equipment, and procurement of technical services and support. Apart from the business expansion plan as referred to in the Announcement, the Company would also seek opportunities in entering into new business or making investments in those areas relating to the WFOEs' proposed scope of business mentioned above.
