CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

(b) Repurchase Mandate

An ordinary resolution will be proposed at the AGM to grant to the Directors a general and unconditional mandate to exercise all powers of the Company to repurchase, on the Stock Exchange, or on any other stock exchange on which the Shares may be listed, Shares not exceeding 10% of the total number of Shares in issue as at the date of passing of the relevant resolution at the AGM.

In accordance with the requirements of the GEM Listing Rules, an explanatory statement is set out in Appendix I to this circular containing all the information reasonably necessary to enable you to make an informed decision on whether to vote for or against the granting of the Repurchase Mandate.

The General Mandates will expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) at the end of the period within which the Company is required by the laws of the Cayman Islands or the Articles of Association to hold its next annual general meeting; or (c) which revoked or varied by ordinary resolutions of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

3. PROPOSED RE-ELECTION OF DIRECTORS

The Board currently consists of seven Directors including three executive Directors and four independent non-executive Directors.

Pursuant to Article 84(1) of the Articles of Association, at each annual general meeting of the Company, one-third of the Directors for the time being, (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at an annual general meeting at least once every three years.

8. RESPONSIBILITY STATEMENT

This Circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors having made all reasonable enquiries, confirm that, to the best of their knowledge and belief: (i) the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive; and (ii) there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
By Order of the Board
Yunbo Digital Synergy Group Limited
Lam Chi Man
Director

This Appendix serves as an explanatory statement, as required by the GEM Listing Rules, to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the total number of issued Shares comprised 1,356,250,000 Shares.

Subject to the passing of the ordinary resolution set out in item 6 of the notice of the AGM in respect of the granting of the Repurchase Mandate and on the basis that the total number of issued Shares remains unchanged on the date of the AGM, i.e. 1,356,250,000 Shares, the Directors would be authorized under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, a total of 135,625,000 Shares, representing 10% of the total number of Shares in issue as at the date of the AGM.

2. REASONS FOR REPURCHASE OF SHARES

The Directors believe that the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole.

Repurchases of Shares may, depending on market conditions and funding arrangements at the time, result in an enhancement of the net asset value per Share and/or earnings per Share. The Directors seek the grant of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and Articles of Association and the applicable laws of the Cayman Islands.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2017) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period.

However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (within the meaning under the Takeovers Code), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date and insofar as the Directors are aware, Happy On Holdings Limited was the registered owner of 987,888,771 Shares (representing approximately 72.83% of the total issued Shares). The entire issued share capital of Happy On Holdings Limited was wholly-owned by Mr. Chan Foo Wing. In the event of that the Repurchase Mandate is exercised in full, the shareholding of Mr. Chan Foo Wing would be increased to approximately 80.93% of the total issued Shares.

The Directors are not aware of any consequences, which may arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate. As at the Latest Practicable Date, so far as is known to the Directors, no Shareholder may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power in full to repurchase Shares pursuant to the Repurchase Mandate.

The Directors will exercise the powers conferred by the Repurchase Mandate to repurchase Shares in circumstances, which they deem appropriate for the benefits of the Company and the Shareholders as a whole in accordance with the GEM Listing Rules and the applicable laws of Cayman Island. However the Directors have no present intention to exercise the Repurchase Mandate to the extent that the number of Shares in the hands of the public would fall below the prescribed minimum percentage of 25%.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules), have any present intention to sell any Shares to the Company in the event that the grant of the Repurchase Mandate is approved by the Shareholders.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with GEM Listing Rules and the applicable laws of the Cayman Islands.

The Company has not been notified by any core connected persons (as defined in the GEM Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

7. REPURCHASES OF SHARES MADE BY THE COMPANY

No repurchases of Shares have been made by the Company in the six months preceding the Latest Practicable Date, whether on the Stock Exchange or otherwise.

8. MARKET PRICES OF SHARES
